DEBRIS BLOWER

Using the Buffalo Turbine quiet and efficient turbine technology we are introducing a first!

Battery Powered Tow-Behind Turbine Debris Blower!

As the world leader in Turbine Debris Blowing we are proud to introduce this machine.

Building on our 80 years of experience designing and manufacturing turbines, we have matched that with a Battery/ Electric Drive.

This is a 0 emission blower with the power and reliability you have come to expect from Buffalo Turbine.

Quick-change twin 7kw battery pack.

2.25 hours high speed continuous blowing.

5.5 hours low speed continuous blowing.

Quick-change twin 5kw battery pack.

1.5 hours high speed continuous blowing.

4 hours low speed continuous blowing.

Charger included

Charge time: 4hrs.

Industry 1st Battery Powered Tow-Behind Turbine Debris Blower
